

❖ **Introduction:**

Nima Girls Arts College started collecting and analyzing the feedback from the alumni from the very last year. The greater aspect of this is that the alumni finds the college somewhat changed when compared to their student-days. The feedback hints at the nature of the changes carried out in the college with the passage of time. There are total number of **19** alumni students, who were given the feedback-forms to be filled in.

❖ **Feedback- form Filled in:**

**Alumni Feedback: 2019-2020**
